Follow the C1144 minor road to a small parking area just beyond the crossing of Allt Coire Peitireach, around 5 km to the west of Quoich Dam. Walk back along the road for around 400m and turn left to follow a stalkers' path which continues in a north-easterly direction towards Spidean Mialach. Continue to ascend towards the ridge of Spidean Mialach after the end of the path. The VL is located just below the summit cairn to the west. Note: Ascent to this VP requires a high standard of fitness and should only be undertaken if properly equipped.
